

Reviewing & Revising Your Schoolwide Plan

October 5, 2018

CESA #12 Conference Center

Registration: 8:30 AM

Training 9:00 AM - 3:30 PM

This workshop is designed to guide your Title I leadership team in evaluating the implementation of your schoolwide plan by reviewing the components of Title I Schoolwide Programming. Join us to learn how local initiatives like RTI/PBIS, UDL, Educator Effectiveness and Cultural Responsiveness weave into these components. If you are new to schoolwide programming, this is a perfect opportunity to network with others who are further into the implementation process.

Plan for the right reasons...

- To improve curricular consistency
- To improve school communication and collaboration
- To increase meaningful family involvement
- To improve academic support for struggling students
- To improve student achievement
