

New Teacher Institute 2018-2019

Being a new teacher can be overwhelming and challenging. Join us for this interactive workshop series that will provide you with easy to implement strategies and ideas to help alleviate the stress of being a new teacher.

This workshop series will focus on all aspects of the teacher educator standards.

We will explore the models of Educator Effectiveness to address the following:

*Instructional planning and delivery ♦ Student achievement ♦ Grading and assessment
Working with diverse populations ♦ The classroom environment ♦ Student engagement
Student behavior ♦ Parent/family engagement*

Learn tactics to successfully guide you through your first year of teaching! Each workshop date will include time for sharing, networking, coaching, and answering questions you may have.

This workshop series is structured as stand-alone events, thus allowing for educators to attend any or all of the dates as their schedule allows.

Price Per Date:

- ♦ \$20 for CESA 5 School Improvement Members
- ♦ \$75 all others

*Facilitated by Tammy Sjoberg
