

Educator Leadership & Coaching Collaborative Series

Join us to learn powerful practices and acquire new coaching techniques from national experts who will connect virtually. Activities and dynamic collaboration bookend the experts' virtual visits. Teamwork and networking within this professional, collaborative framework will hone the skills necessary to effectively leverage teacher-leader passions and expertise.

Jennifer Allen:

Teacher, literacy specialist, and coach for nearly 30 years. *Works to inspire and energize teachers while keeping students and their learning at the heart of her work.*

Jim Knight: Associate at the University of Kansas Center for Research Learning; President of the Instructional Coaching Group. *More than 20 years studying professional learning, effective teaching, and instructional coaching.*

Lee Ann Jung: Chief Academic Officer for ASCD Student Growth Center and Clinical Professor at San Diego State; *Provides support to schools on inclusion, designing individualized goals, interdisciplinary supports and measuring progress.*

Kay Psencik: Teacher for more than 30 years. *An expert in leadership development, Kay coaches administrators and teams to embed professional learning into staff's daily lives.*

Noelle Apostol Colin: Teacher, coach and education leader for nearly 20 years. *Noelle is masterful at facilitating team meetings and guiding leaders to manage change.*

Diane Sweeney: Teacher, coach, and consultant and for over 20 years. Diane is a respected expert on supporting administrators and coaches to implement practices that make a direct impact on student learning.

OCTOBER 1, 2018: LAYERED COACHING

Learn how to create the framework for layered coaching as a model to develop coach roles within schools. The layers of support that coaches can implement include in-class support, curriculum support and assessment, study group facilitation, and the cultivation of teacher leadership.

NOVEMBER 5, 2018: USING TECHNOLOGY FOR HIGH-IMPACT INSTRUCTION

Technology can be a very powerful tool for improving teaching effectiveness. Jim will teach us strategies that will create immediate, positive, and long-lasting change in classrooms by way of using technology in coaching.

DECEMBER 3, 2018: MEASURING GROWTH OF STUDENTS WITH LEARNING DIFFERENCES

Lee Ann will teach us of a differentiated assessment and grading model for use in measuring growth of students with learning differences in a way that is fair and meaningful. The model is appropriate for students with disabilities, English learners, and those receiving intensive intervention.

FEBRUARY 4, 2019: COACH'S CRAFT—POWERFUL PRACTICES TO SUPPORT TEACHERS

Kay will share the knowledge and the high-level skills that coaches need to grow in confidence and competence in the coaching role in order to effectively support teachers.

MARCH 4, 2019: THE EMOTIONALLY INTELLIGENT TEAM

What sets apart average performing teams from high performing teams? Collective emotional intelligence. Explore what this means and why it is a critical foundation for a thriving, equitable school. Walk away with plans and strategies to develop the emotional intelligence of your team.

APRIL 30, 2019: LEADING STUDENT-CENTERED COACHING

How do you build an effective coaching program from the ground up? How can you get more impact from your current coaching program? It begins with the school principal and teacher leaders. *Join us to:*

- Grasp the importance of partnering with coaches to leverage student learning;
- Develop strategies to separate coaching from supervision; and,
- Create authentic teacher engagement in the coaching effort.
