

Beginning School Implementation

Schedule	September 17, 2009 CESA 5, Portage Check in 8:00 am/Workshop 8:30 am—3:30 pm
Audience	<p>Participants are encouraged to come as a school leadership team including, at minimum, a building principal, special education teacher, general education teacher, and a parent/family member. A pupil services staff member is highly recommended. Participation is most helpful when a leadership team participates for the duration of the training.</p> <p>This training is highly recommended for any school and/or district that wants to more effectively identify and respond to the learning needs of all students. Schools and districts are strongly encouraged to send leadership teams who can carry forward a strategic action plan leading to student success.</p>
Presenter	Sue Wellnitz
Purpose	<p>The purpose of this training is to assist school leadership teams in the comprehensive planning process necessary to identify and address student learning needs. Leadership teams are introduced to a comprehensive planning tool (the REACH Framework) and are mentored in developing a focused action plan based on school and district data to address and plan for identified student learning needs. The action plan developed will include a clear goal, strategies, procedures and resources needed to reach the goal, timelines, evidence indicators, evaluation criteria and a schedule to monitor progress. Trainers will focus participants on the common elements that characterize highly effective schools to include:</p> <ul style="list-style-type: none"> • Working as a professional learning community • Developing strategic goals based on student learning data • Professional development based on mentoring of best practice • Resource mapping to effectively and strategically use or realign current resources and identify new resources • Progress monitoring to determine if the identified plan is leading to success <p>Participating teams are guided in identifying local priorities and developing a comprehensive plan to address needs.</p>
