WISEdata Training

CESA 10 will be hosting a full day WISEdata training for people new to WISEdata and those looking for a full day refresher.

Topics covered will be how to navigate in WISE, security, tools, tips, tricks and features. New aspects of WISE will also be covered.

There is a separate half day training for those just looking for highlights of the new features for the 2018-2019 school year.

What to Bring: Laptop

Lunch: Provided

Cost: Free
