\*Please register for each session you plan to attend

Leading change for improvement within your school and learning with adults is exciting and challenging work, but it is difficult to do alone. Join CESA 9's Instructional Coaching Network; a series aimed at developing a professional learning community for leaders, teacher leaders, and instructional coaches.

The goal of these sessions are to:

- Build capacity within the leader/teacher leader/instructional coach role
- Gather 'tools' to use when working with adult learners
- Engage in learning opportunities around creating environments conducive to system change

## Topics:

- Self-Reflection and targeted learning using the principles of the Coaching Competency Practice Profile
- Tools & Strategies for building resilience within ourselves and others (Aguilar)
- Supporting teachers with effective instructional techniques (Uncommon Schools)
- Coaching within an Equitable Multi-Level System of Support

**Who should attend:** Instructional leaders who serve in a district or building coaching role, Reading Specialists, Literacy Coaches, Mathematics Coaches and Coordinators, and Mathematics or Literacy Grade Level Leaders

**Cost:** \$350 for the (4) session series. Cost includes breaks, lunch, resources, and materials. We encourage participants to attend all network sessions, but also welcome participants choosing those dates that work best. Cost will remain the same. All materials will be made available to those registered regardless of attendance.
