9:00 a.m.—2:00 p.m.

CESA 5, 626 E. Slifer St., Portage

Facilitator: Luke Witkowski or
Alex Hipp from FACT

Training Description:

Some of the most effective and energetic efforts in reducing tobacco use has been through the youth FACT groups. Luke or Alex will be working with youth that have made a commitment to make a difference - this time, focusing on Other Tobacco Products (OTP). Bring your youth group to get the basic information that they'll need and then make a plan for ACTION!! Luke and Alex are sure to inspire them with ideas of what other groups have done as well as help them become the leaders they are meant to be. This is a perfect opportunity to work together with your regional Tobacco Coalition.
