The Places We Go: What Works in Itinerant Service Delivery

There are many elements that affect the quality of itinerant service delivery. One of the most basic is the I.E.P. This meeting will discuss three elements of the IEP process that are critical to setting the EC team up for appropriate focus and information in providing EC:SE services to young children and their families.

- ❖ Sue Albert will provide **guidelines** and facilitate **practice** regarding **functional, meaningful IEP goals:** including writing and **data collection**.
- ❖ The Edgerton School District EC team will share their now-evolved: **Collaborative IEP** process (formerly known as "Smart Board IEPs") that heightens **meaningful family involvement**, along with priority IEP goals.

Join us to network and share.
