Workshop Description:

The focus of this book study is supporting high quality inclusionary opportunities for all students. Play will be used as an intentional, research based strategy as well as embedding supports from the Preschool Inclusion Toolbox. Teams of regular and special education staff are encouraged to attend together focusing on preschool through 1st grades.

Google folders will be used to organize and share resources and graduate credit/continuing education hours are available upon request. Site visits to support implementation may be included.

Depending on the number of participants, there may be a slight fee for books.
