Discussions and activities with Tracy Elger will focus on topics such as:

- Developing, assessing and sustaining co-teaching practices at the building and district levels.
- Understanding the relationships between co-teaching, response to intervention (RtI) and differentiation of instruction.
- Implementing a variety of co-teaching role options.
- Appreciating the expertise that each team member brings to a partnership.
- Developing a co-teaching vision between partners; planning as co-teaching partners.

\$125/person or \$175/team

(team=1 regular ed. teacher and 1 special ed. teacher)

Participants are encouraged to attend with current and/or potential co-teaching partners. It is also highly recommended that school administrators attend with their teacher teams for a fee of \$40.
