

**Academic and Career Planning (ACP)  
CESA 10 Workshop  
Monday, January 7  
9:00 a.m. – 3:00 p.m.**

Workshop Topics to Include:

- Course Planner Components of Career Cruising
- Training on Inspire
- Meeting Employer Demands for Employability Skills through Academic and Career Planning

NOTE: Julee Dredske, Wisconsin Xello Training Specialist will present during the morning portion of the workshop.

Expert Employer Panel Discussion:

In addition to the topics listed above, participants will have the opportunity to learn from a panel of business and industry experts. Employers will share what they believe are the most important academic, technical and employability skills needed in the current workforce. This valuable experience will end with a Q & A session.

Reminder:

- Please bring a laptop to this workshop!
