2019-20 Leading for Learning Series

ACHIEVING EDUCATIONAL EQUITY

Gather your leadership team* and join us as we launch a 3-year, deep-dive into equity-based school improvement! The 2019-20 Leading for Learning Series (formerly WOW) features four superb, **FREE** professional development events designed to strengthen PLC practices and processes. School-based leadership teams will experience sustained learning across the school year, gaining powerful tools and practical tips as they develop the expertise to:

- Develop a Healthy School Culture
- Ensure a Guaranteed and Viable Curriculum
- Build Rigorous Learning Expectations
- Utilize Team-Created Assessment Strategies
- Design Multi-Tiered Systems of Support
- Provide Coaching Support for PLC Teams

* Recommended team composition: 4-12 teacher leaders and building/district administrators working side by side to improve academic outcomes for all students.

Join us!

Register for the 2019-20 series by clicking on your preferred date for each speaker. All team members must register individually.
