

# WISCONSIN PBIS NETWORK TIER 1 BOOSTER

February 5

8:30 a.m.—3:30 p.m.

## Objectives

- Teams will create a plan to refine Tier 1 implementation that includes training and supporting stakeholders.

## Audience

School Teams trained in Tier 1 PBIS:

- Administrator (recommended)
- At least 2-3 additional team members, with decision making authority (expected)

Teams must have completed PBIS assessments (BoQ or TFT) for the current year

Designed for previously trained teams who want to review or enhance the PBIS tie 1 implementation

Interested teams please contact your Regional Technical Assistance Coordinator to determine if a booster is the best fit for your school.
