MARCH TBD
APRIL TBD
JUNE TBD

Events for 2018-2019 will focus on tying initiatives together and bringing our students one step closer to being college, career, and life ready through financial literacy. At our workshops, we will share ideas from local districts, discuss ways to tie financial literacy into your school's ACP, and develop evaluations that you can use in your educator effectiveness process for both your SLOs and PPGs. You will be encouraged to bring and share your curriculum, most effective learning activities, and samples of formative & summative assessments.

Costs: No fee!!! Sub fees will be covered for the first 15 participants that sign up. Breakfast snacks and lunch will be included.
