

Science Networking Workshop

April 2, 2019

CESA #12 Conference Center

Registration 8:30 AM

Training: 9:00 AM – 3:30 PM

Kevin Anderson from DPI will work with science teachers, K-12, on assessment and unit/lesson design. We will explore Ambitious Science Teaching resources and give educators time to work with similar-grade peers on these activities. There will be time for sharing resources and expertise as well!

Presenter: Kevin Anderson, DPI Consultant

Target Audience: K-12 Science Teachers

Early Bird Registration Fees: *(Before March 19, 2019)*

\$0 Science Network Consortium Member Districts (Ashland)

\$60 All other registrations

Registration Fees:
