

# La Crosse Regional AIRPORT

## Beyond Pilots & Flight Attendants: Check Out All Aviation Has To Offer!!

Thursday,  
March 28, 2019  
9 am - 2:30 pm

CTE teachers and ACP team members: Do you want to help your students learn about careers in Aviation? If so, [register to join us](#) at the La Crosse Regional Airport on March 28<sup>th</sup>!!

Career opportunities in aviation span far and wide. The aviation industry offers career opportunities in mechanics, airline operations, air traffic control towers, administration, electrical, maintenance, marketing and so much more!

Miranda TerBeest, Marketing and Communications Manager for the LaCrosse Regional Airport, joined by Meredith Alt, Aviation Education Manager for the Wisconsin DOT, and the La Crosse Regional Airport staff, will deliver a behind-the-scenes tour of the airport facilities, interactive presentations with airport staff to provide insight on their day to day responsibilities, lunch and a workshop led by Meredith and key airport staff on instructional resources for aviation that can be incorporated into your curriculum and career prep discussions.

“The aviation industry offers opportunities in the public sector, private sector, behind the scenes, on the front lines, in the trades, and in administration. It is an industry that churns the economy by getting the world where they need to go safely and comfortably. Come and learn how together, we can help your students soar!!” -*Miranda TerBeest*
