The goals for this group will include, but are not limited to, discussion surrounding shared best practices in the use of the EXPLORE, PLAN, and ACT assessment system. Topics for meeting one will include:

- Familiarization with resources provided by ACT
- Test administration
- Funding sources
- Data interpretation of Explore, PLAN, and ACT
- Utilization of the results
 - Scheduling
 - Curriculum development
- RtI applications
- Actions to meet individual students' needs

This group will meet in a “discussion group” format. Please be prepared to contribute.
