 **#pbislc19**

Join us for the 2019 PBIS Leadership Conference via live stream!

Featuring PBIS and equity leaders from the local to national level

Keynote Address: Dr. Heather Peshak George

Dr. George brings extensive experience in providing training and technical assistance in behavior across a continuum and variety of settings. She will be sharing insights into the district's role in PBIS implementation.

Redefining the Role of the Team

You will learn strategies to specifically build or refine team structures.

Elephant in the Room: Talking Race in Safe Spaces

We'll share internal and external barriers that prevent schools and districts from having meaningful conversations about race that lead to improved student outcomes.

Five Steps to Creating Positive Environments in the Classroom

We will provide five specific take-away steps with suggested strategies for relationship building, providing quick feedback and low-intensity error correction, and much more. Find an elbow partner because this session is collaborative.
