

WHO ARE WE?

CESA 10 is a non-profit educational agency providing facilities management services to assist school districts and governments reduce project costs, become more energy efficient, and provide safe and healthy school environments. For more information on CESA 10's services including pre-referendum planning, Energy Management, Owner's Representative, Construction Management, and Environmental Health and Safety services, call **888-947-4701** or visit **facilities.cesa10.org**.

"I have found working with CESA 10 has been a life saver for me. Everyone I've worked with has been very knowledgeable and understanding. I can honestly say I couldn't do it without them."

- Mike Stange, Maintenance Director
BangorSchool District
