

# AT and Special Education

Resources and Supports for the Classroom

Wednesday, April 17, 2019

9:00 am - 3:00 pm

CESA 9, Tomahawk

**Come join us and learn more about Assistive Technology!**

What is Assistive Technology (AT)? How and when do we consider AT? How do we document AT in the IEP? This class will answer these questions, along with guiding you through a process to make informed decisions about reading accommodations. Assistive technology writing and reading supports will be shared and practiced.

**MORNING:** We will discuss what AT is, when it is needed, along with how to document AT in the IEP. We will explore AT reading and writing supports.

**Afternoon:** I will demonstrate and guide the group through a process to help teachers make informed decisions about reading accommodations.

**Presenters:** Annie Sims, AT Program Support Teacher  
Marathon County Special Education  
Dr. Matthew Collins, Director of Special Education and RSN,  
CESA 9

**Audience:** Special Education Teachers and others working with students with IEPs

**Cost:** \$50 for CESA 9 School Improvement Members  
\$150 for Non-members (includes lunch and materials)
