

# Speech and Language Collaborative Support Meeting

Using Evidence-based Practices to Support Students in the Classroom

May 2, 2019

8:30 am - 3:30 pm

CESA 9, Tomahawk

Join SLPs from around the state to delve deeper into ways SLPs can support students in their natural environments. Participants will have the opportunity to identify and use tools that address barriers to employing evidence-based inclusive practices. Network with SLPs across the state to gain an understanding around strategies and practices that are working in Wisconsin, and reflect on current practices in district to determine reasonable next steps.

**Presenters:** Andrea Bertone, M.S., CCC SLP  
Including breakout and whole-group presentations from higher education, school districts, and CESAs across Wisconsin.

**Cost:** \$25 per person - includes lunch and materials
