Join SLPs from around the state to delve deeper into ways SLPs can support students in their natural environments. Participants will have the opportunity to identify and use tools that address barriers to employing evidence-based inclusive practices. Network with SLPs across the state to gain an understanding around strategies and practices that are working in Wisconsin, and reflect on current practices in district to determine reasonable next steps.

Presenters:

Andrea Bertone, M.S., CCC SLP

Including breakout and whole group presentations from higher education, school districts, and CESAs across Wisconsin

Americans with Disabilities Act (ADA): CESA #1 will provide reasonable accommodations for qualified individuals with disabilities attending our workshops or events. If you require accommodations, please contact the workshop coordinator for that event.
