

The Intersection of the Arts and ITL Standards

Thursday, August 22nd, 2019 9:00 am - 3:00 pm

AGENDA:

9:00-11:30 am

- Explore music/theatre/dance/art & design standards and resources.
- Explore ITL standards and resources.
- Share potential for integration of content areas through common skills and activities with student learners.

11:30-12:15 pm - Lunch

12:15-1:00 pm

- Identify where ITL exists in arts content areas.
- Share what integration of ITL and arts content areas look like.
- Curate ideas and post within a Google Folder to share.
- Discuss what additional benefits and challenges exist for applications and integration of ITL with arts content areas.

1:00-2:00 pm

- Work time for small groups or pairs to curate/create a resource or lesson plan to share with the online Google folder and with the participants at the session.

2:00-3:00 pm

- Showcase ideas from small groups/pairs with the entire group
