

All About Xello

This fall, Xello will be the new approved ACP program for Wisconsin. Hopefully, you had a chance to see the student experience through our winter/spring trainings or participated in one of our webinars. If not, we've got you covered: Go to help.xello.world to see the [student experience](#).

As of August 12th, Xello will be live and online for schools across Wisconsin. To help you get started, this **full-day training session to recap what students will see and go in-depth on the tools for educators** to view student profiles, communicate and customize the student experience, work with Xello's interactive lessons, and run critical reports.

Goals

1. Get familiar with the core functionality in Xello
2. Understand the tools available for educators
3. Hands-on experience with key features through their personal accounts
4. Understand how to use Xello to fulfill ACP objectives
5. Introduce Inspire Wisconsin
6. Sharing implementation options and ideas
7. Have the opportunity to ask questions about the Xello

Who Should Attend

Educators who will be using Xello with students in a classroom or counseling setting.

Format

Short initial presentation to be followed by a hands-on workshop and discussion.

Session Requirements

- Every participant will need an educator account for Xello
- Every participant will need access to a computer with internet in the session
- Prior knowledge of the Xello student experience. Please watch this webinar if you aren't familiar with the [student experience](#).
