Leading for Learning Series
ACHIEVING EDUCATIONAL EQUITY

Suggested Team Norms

1. Everyone on the team contributes to the work of the team.

2. We listen carefully to the contributions made by all team members.

3. We stop all table talk and cross chatter immediately when the speaker takes the floor.

4. We will use personal technology respectfully by limiting use to *Leading for Learning* tasks only.

5. We will commit to sharing the learning we do and the materials we receive with other educators in our school/district.

6. We will hold one another accountable to these norms.
