## **These 6 Things: How to Focus Your Teaching on What Matters Most**

*The Non-Freaked Out Approach to Teaching Literacy Across the Content Areas*

Dave Stuart Jr.'s "less but better" approach to literacy instruction has equipped and encouraged teachers around the world through his popular blog, Dave Stuart Jr.com, and his bestselling book, *These 6 Things: How to Focus Your Teaching on What Matters Most*. Stuart's simple, robust framework for literacy instruction honors teachers across the content areas and their most precious and fleeting resource: *time*.

Dave's workshop will examine these questions and more. Participants will leave with practical strategies and clearer thinking.
