

# Responsive Classroom

## Two-Day Training

The Responsive Classroom approach to teaching and learning fosters a safe, challenging, and joyful classroom. Developed by classroom teachers, this approach consists of teaching practices for bringing together social and academic learning throughout the school day, as well as developing inner rewards and empathy through the CARES principles.

### Day 1: Tues. 10/1/2019

Participants will understand the first four components of Responsive Classroom:

- Morning Meeting
- Guidelines Creation
- Interactive Modeling
- Logical Consequences

### Day 2: Mon. 2/3/2020

Participants will experience a workshop model that will consist of:

- Teacher Language
- Academic Choice
- Guided Discovery
- Classroom Organization
- Collaborative Problem-Solving
