Nonviolent Crisis Intervention (NVCI) Enhanced Refresher Training

Friday, August 30, 2019 • 8 a.m. - 3:30 p.m.

Trainer: Erin Lausten
CESA 6 Program Support Specialist

Description:

Educators recognize the need for timely, effective nonviolent interventions with students who exhibit challenging behaviors. They know that such interventions improve the physical safety of all participants and create a more trusting and caring learning environment. The Nonviolent Crisis Intervention® program is a safe, non-harmful behavior management system designed to help educational and human services professionals provide the best possible Care, Welfare, Safety and Security of disruptive, assaultive, and out-of-control individuals.

Note: All training will be the Enhanced Training. Due to CPI quality standards, trainers will no longer be teaching the legacy version of the NVCI content.

Prerequisite: All participants must have attended an initial or refresher Nonviolent Crisis Intervention training within the past 18 months.

Workshop Objectives:

- Identify the potential for aggressive or disruptive behaviors.
- Identify the appropriate measures to avoid, decelerate and/or de-escalate a crisis situation.
- Assess the level of risk associated with a crisis situation and intervene appropriately.
- Manage behavioral risk by learning disengagement and/or holding skills.
- Describe the potential impact that crisis situations have on individuals and staff.
- Explain the importance of providing person-centered, proactive services.

Who should attend?

Professionals, such as teachers, administrators, teaching assistants, social workers, counselors, psychologists, etc., working with students with challenging behaviors within school and community settings. *Note: This training is not recommended for parents.*
