

2019 Smart Thinking Summer Retreat

JULY
29-30
2019

STRATEGIC CULTURE.

The Smart Thinking Leadership Retreat for the summer of 2019 will focus on the strategic management of your culture. We will learn and grow together as a community of leaders. Each participant will acquire new knowledge and skills that allow for immediate strategic opportunities. The retreat will end with participants leaving with work teams and a schedule of times they will meet throughout the year with Ted to review progress, process issues, and pivot towards greater improvement.
