

MAKING INCLUSION WORK

Through Co-teaching and Specially Designed Instruction

Together D.C. Everest, CESA 9 and CESA 8 are sponsoring this event.

Co-Teaching that Works with, *Anne Beninghof*

Co-teaching is a proven instructional approach for reaching the wide range of student needs in today's inclusive classrooms.

This workshop will provide you with clear description of:

- the myriad of co-teaching styles
- practical ways for defining your roles
- tips for maximizing the value of each team member

The presenter will share seven steps for specially designed instruction so that all students are successful. The emphasis will be on creative, yet time-efficient instructional strategies that work across grade levels and content areas.

Walk away with renewed energy for inclusive schools and practical ideas you can implement immediately!
