

PBIS Administrative Overview

Tier II/Tier III AA1241-November 8, 2011

Description: This full day training provides an administrative overview of the system structures and commitments needed for effective implementation of Tier II/III of school-wide PBIS, including a description of the Tier II/III practices, data tools and fidelity measures. Emphasis is on the continuum of support across a 3-tiered system, highlighting data tools and behavioral interventions for groups of students and individuals, who require more than universal interventions to succeed.

District and school-level leaders need to have a complete understanding of what the PBIS Tier II/III systems, data and practices entail so they can provide the necessary guidance to school staff as they move through Tier II and Tier III training and implementation. Repositioning of personnel to coach and facilitate specific PBIS Tier II and Tier III components become necessary at these levels. Administrators must be aware of needed roles/functions for Tier II/III implementation so they can anticipate and plan accordingly.

Audience: District/school administrators including special education leaders, principals, internal/external PBIS coaches/specialized services personnel such as social workers and school psychologists

*****Note:** Those attending must have attended Tier I training. Have 70% BoQ, 80% on TIC, 80% on SAS or 80/80 on SET

Presenter: **Lucille Eber**, Ed.D., is the State Director of the Illinois Positive Behavioral Interventions and Supports (PBIS) Network, sponsored by the Illinois State Board of Education. This Network coordinates technical assistance and evaluation related to school-wide PBIS in over 1,400 IL schools and includes implementation of wraparound and interagency initiatives for students with complex emotional and behavioral challenges. As a collaborative partner with the U.S. Department of Education's National PBIS Center, Dr. Eber also facilitates PBIS implementation and training plans for states and school districts across the country. Dr. Eber is a former board member of both the Illinois Federation of Families (IFF), and the national Federation of Families for Children's Mental Health (FFCCMH) and the Association for Positive Behavior Supports (APBS). She regularly publishes articles and chapters on wraparound, interagency systems of care and school-wide positive behavior supports.
