- Instructional Coaches
- Principals and Administrators

Calling ALL educators!

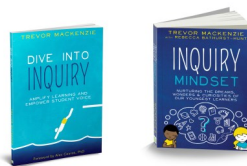

Are you looking for ways to meet standards and at the same time ensure all of your students experience a meaningful and wonder-filled journey through their education?

Join CESA 9 for a day with **teacher and author, Trevor MacKenzie**, and leave with new learning about **INQUIRY** practices, as well as resources and takeaways that can be used in the classroom immediately.

Inquiry can find a home in all content areas ... and now the revised Wisconsin Standards for Social Studies have an **Inquiry strand** that is intended to umbrella all social studies learning! Join Trevor and get a head start on including inquiry in a current unit of study.

Trevor MacKenzie is an award winning English teacher at Oak Bay High School in Victoria, BC, Canada, who believes that it is a magical time to be an educator. By increasing student agency over learning, weaving in strong pedagogy, transformative tech use, and sharing learning to a public audience, Trevor's learners are ready to take on important roles in the 21st century.

Trevor is the author of *Dive into Inquiry: Amplify Learning and Empower Student Voice as well as Inquiry Mindset: Nurturing the Dreams, Wonders and Curiosities of our Youngest Learners* (co-authored with Rebecca Bathurst-Hunt) published by Elevate Books Edu.
