

Workshop and Phonics

Using Units of Study Phonics K-2

This workshop is your first how-to for implementing Units of Study in Phonics. If you are working in workshop and beginning the work to integrate the Units of Study in Phonics into your ELA instruction, this day will serve you well. Come peek into how the foundational practices in reading and writing workshop create a path for phonics study. Bring your Units of Study in Phonics for a day of immersion in foundational phonics concepts for our earliest readers and writers.
