

Special Education Indicator 13 ITV Presentations

September 26 and 30, October 11 and 25, 2011
8:15-11:30 AM or 12:00-3:15 PM

The purpose of this professional development opportunity is to provide participants with examples of compliance and effective practice standards to meet Indicator 13 Requirements. Please bring IEPs to review. There will be a limited time to review the IEPs using the Indicator 13 checklist during the session. A DPI consultant will be available via ITV to answer questions. This is an opportunity for district staff to prepare for the reviews of randomly selected IEP's for the 2011-2012 school year and for the newly required annual Indicator 13 IEP review.

This professional development opportunity is sponsored by the Department of Public Instruction (DPI), the Wisconsin Statewide Transition Initiative and the Regional Service Network. Questions can be directed to Karen Lietzow at lietzowk@cesa5.k12.wi.us or (608) 742-8814, ext. 309.

There is no cost to participate.
