Workshop Description:

This session will move beyond awareness of the Wisconsin School Mental Health Framework to application of this framework to your school/district setting. In addition to completing a needs assessment, teams will address the integration of various school-wide efforts (behavior support, social emotional learning, trauma sensitive schools, etc.) and begin to plan the aligning of these efforts.

Individuals and/or teams are welcome.

If you are new to the framework, please consider signing up for the [morning session](#) as well.

Presenter:

Elizabeth Witter Freeman has been supporting CESA 2 schools since 2015. Her areas of specialty include School Systems, School Improvement, Data Analysis, Strategic Planning, RTI/MTSS, and Pupil Service Delivery. Elizabeth practiced as a School Psychologist near Madison, WI after receiving her doctorate in Educational Psychology from the University of Wisconsin-Madison in 2007.
