

Become an Apple Education Trainer

Monday, October 7th & Tuesday, October 8th, 2019
8:30 am - 3:30 pm

CESA 5 - 626 E. Slifer St. Portage, WI 53901

The Apple Education Trainer (AET) program prepares individuals from intermediate agencies and noncommercial education groups to use the Apple Teacher program resources to support the educators within their organization.

During the two-consecutive-day AET Institute, you'll:

- Enhance your skills for creating a culture of learning
 - Expand personal skills in macOS or iOS device and Apple app use for learning
 - Ensure an understanding of the Apple Teacher program and resources and can successfully use them to support educators in your organization
- Following the AET Institute you'll be asked to submit a project within 30 days to complete your authorization.

To participate in the Apple Education Trainer program you must:

- Provide proof of your recognition as an Apple Teacher in either iPad or Mac by taking a screen capture of your Apple Teacher Profile page showing you've successfully completed all eight badges
- Be responsible for training educators in the use of Apple tools in your organization
- Have the use of an iPad or Mac with the current operating system and Apple apps installed

Registration Fee:

\$500 per person
for both days
includes lunch
