Description:

Digital Storytelling has moved from the age of being difficult and tied down to expensive equipment to being easy and free to create. Come see how you can integrate digital storytelling and Web 2.0 tools (featuring Flickr and VoiceThread) into your curriculum.

In this workshop you will:

- ◇ Get a brief overview of Digital Storytelling.
- ◇ Go through the steps for creating a digital story including designing a basic story idea and finding images or video to support it.
- ◇ Create a digital story quickly using VoiceThread.
- ◇ Explore several other different Web 2.0 tools that are free to use to create digital stories.

This workshop will address Wisconsin Teacher Standards #2, #4, #5, and #6.

Trainer: Jennifer Casper, CESA 5 Curriculum & Technology Specialist
