

Library Media Specialist Network 2019-20

CESA 9 - Tomahawk

The Library Media Specialist Network meetings focus on what today's school libraries and media centers look like, what has changed, what needs to stay the same, and what are new emerging uses for the libraries/media centers (makerspaces). This year, our full-day meetings will consist of new learning and exploration of the impact of technology during the morning with networking in the afternoon. We will also continue our Future Ready Library Planning work with WI DPI consultant Monica Treptow.

2019-20 Annual Membership Fee: \$200 per district (includes registration for up to 2 participants per meeting, lunch, and materials)

Please complete [this brief survey](#) if you attended in the past. Your input for meeting topics and guest experts is helpful in providing the best support for you and your colleagues!
