

**rapid center**  
for improvement

POWERED BY CESA 6

# Principles of Improvement

Acquire the skills needed to improve. This training will leave you with dozens of tools and processes for your school district, your department, your school, and even the classroom.

Join Ted Neitzke for a training series and certification in the Principles of Improvement.

Each participant will leave with the core continuous improvement skills necessary to support improvement at any level.

Ted Neitzke will facilitate two cohorts. One first semester and one second semester.
