

Reading Teacher Network

Title Teachers/Interventionists often have a unique role in school districts, with leadership responsibilities ranging in literacy expert, RtI, interventions, and leadership. Join CESA 9 in a network series aimed at developing a professional learning community just for teachers of reading.

These sessions will support:

- Sharing and reviewing research and resources around assessments and instructional practices in literacy
- Capacity-building in designing and implementing Title I programming within an equitable, multi-level system of support
- Resources for creating schools that engage families in literacy

Audience: Title I Reading Teachers, Intervention Teachers, and Reading Specialists

Cost: \$250 for the (3) session series. Cost includes breaks, lunch, resources, and materials. We encourage participants to attend all network sessions, but also welcome participants choosing those dates that work best. Cost will remain the same. All materials will be made available to those registered regardless of attendance.
