

CESA 8 ART NETWORK MEETINGS 2019-20

September 19, 2019
9:00 a.m. - 3:00 p.m.

and/or

April 2, 2020
9:00 a.m. - 3:00 p.m.

Meeting 1: *Painting En Plein Air*

September 19, 2019
(Participants will meet at CESA 8 and then travel by personal vehicle to a local, outdoor location.)

Visiting Artist: *Mary Rypel Anderson*

This workshop will get you outdoors and painting with zest! Field composition, editing & techniques in pastel will be covered, as well as practical tips on materials and information for framing finished pieces. While not aimed at specific grade levels, these strategies can be easily adapted to fit individual teachers' classroom needs.

Participants will be asked to bring items (i.e. chair & easel) in order to work within an outdoor environment. Also, in case of bad weather, an alternate indoor location will be announced as the date nears. Please watch your email for a supplies list and bad-weather location details!

Participants will also have networking time to discuss local concerns and successes.

Cost: \$100 for CESA 8 CIA member school districts; \$200 for non-CIA members

Participants will have the option of buying additional supplies from the artist the day of the event.

Meeting 2: *Water Media Effects*

April 2, 2020
Oconto Falls Community Library
251 N Main St., Oconto Falls, WI

Visiting Artist: *Faye P Barber-Schmuhl*

This workshop is all about water, alcohol, washes, stains, bleeds, and blooms. It's taking time-honored watercolor and acrylic techniques and "blowing them out of the water"! We will be working with color, and experimenting with opaque, translucent, and transparent applications of paint. With fluid acrylics and heavy-bodied acrylics, we will create a variety of textured surfaces with varying degrees of transparency. We will work with watercolors in the morning session and acrylic in the afternoon. You will leave the workshop with two of your own authentic works of art. Lessons learned throughout the day can be applied to classroom instruction.

Participants will also have networking time to discuss local concerns and successes.

Prior to this event, participants will be sent a list of supplies that will be needed for the day. Please watch your email!

Cost: \$100 for CESA 8 CIA member school districts; \$200 for non-CIA Members

Participants will have the option of buying additional supplies from the artist the day of the event.
