

# CESA 7 Learning Services presents:

## Educator Effectiveness: A Deeper Dive for Teachers (DPI Model)

**Facilitators: Colleen A. Timm, Ph.D. – Director of Learning Services**

<b>Schedule:</b>	Dates: October 14, 2019 Time: 8:00-12:00 (check-in is 7:30 a.m.) Location: CESA 7
<b>Audience:</b>	PK-12 New and Continuing Teachers, Principals, Coaches and Educator Effectiveness Leaders
<b>Session Topics:</b>	<p>DPI purposefully designed Educator Effectiveness as a learning system to help educators continuously grow professionally, with the ultimate goal of improving outcomes for all students. This professional development resource provides support for school and district personnel seeking to engage in a deeper understanding of the timeline and practices embedded in Wisconsin's Educator Effectiveness System.</p> <p><u>Intended Outcomes:</u></p> <ul style="list-style-type: none"><li>• Recognize the connection between EE processes, increasing teacher effectiveness, and improving student learning</li><li>• Understand specific information about EE processes and how these unfold across the year</li></ul> <p><u>"Schools that increased their teachers' use of Educator Effectiveness feedback <b>in just one way</b> (e.g., trying new instructional strategies in classrooms or seeking professional development opportunities based on principal feedback) improved their student achievement percentile school ranking <b>8 percentage points. This growth equates to the impact of adding 22 additional instructional days in the school year.</b> In schools where teachers historically used feedback more AND increased feedback use, <b>student achievement improved at a level comparable to adding 37 days of instruction.</b></u></p> <p>~WI DPI</p>
<b>Registration Fees:</b>	Registration is <u>free</u> due to a DPI grant and lunch is provided.
