

# Technical Incentive Grants and Industry Certifications

Sept 18, 2019 | 3:30 AM – 4:30 PM (online)

## Description

---

ACT 59 allows School Districts to claim funds annually based on the number of graduating students that have earned an industry recognized credential during high school.

Learn more about the claim process, the certifications that can be obtained for students and how to advocate for adding an additional certification to the program.

## DETAILS

---

### LOCATION

Online. Registrants will be sent information on how to connect via zoom prior to the event.
