Workshop Description:

This presentation will outline a hierarchy of auditory, speech, and language goals to target for children with hearing loss. It will describe strategies to use during activities and provide hands-on practice. It will review resources that may be used to monitor skill acquisition and identify appropriate communication goals that focus on audition, speech, and language. It will end with case studies that allow the attendees to put into practice the information presented.

Presenter:

MaryKay Therres (M.S., CCC-SLP, LSLIS Cert. AVT) is a Speech-Language Pathologist and Auditory-Verbal Therapist. She was a member of the cochlear implant team at Children's Hospital Oakland for 15 years and The Children's Hospital of Philadelphia for seven years.

**Presenter:**

Stephanie Cobbs Woloshin (M.S., CCC-SLP/ Certified Autism Specialist) is a practicing speech-language pathologist and certified autism specialist with 26 years of experience and national, state and DPI certifications. She is the coordinator at CESA 2 for the Itinerant Services Team and the CESA 2 Speech and Language Network.
