Since the rewrite of PI-34, the administrative rule in WI that governs educator preparations programs and licensing and went into effect on August 1st of 2018, there have been many changes in teacher licensing that impact school districts. This session is designed for those working with teacher licensing issues and will provide participants with a deeper understanding of the new rules and how they can be used for increased flexibility by districts.

Some of the topics that will be covered include:

- The new tiered licensing system
- Provisional and Lifetime license renewal requirements
- Background checks and invalidated lifetime licenses
- License with stipulations (one- and three-year options)
- License additions based on content tests
- Pathways to licensure (including experience-based)
- Time for Q&A
