

Report Card Data Dig

October 28, 2019

CESA #12 Conference Center

Registration: 8:30 AM

Training: 9:00 AM - 3:00 PM

Investigate your school report card, review the past 3 years of accountability scores and prepare a report summarizing your report card data. In this workshop we will review the major change to school report cards...the addition of growth scores for the high school and provide a report template you can use with stakeholder groups in your district. We will also use WISEdash for Districts to investigate the data used to create the report card score.

Presenters: Jim Lee, CESA 12 Director School Support Services Center & Sue Erickson, CESA 12 Early Childhood Support Teacher

Target Audience: Superintendents, Principals, School Improvement Coordinators, District Assessment Coordinators, Data Specialists and Coaches, School Counselors, Directors of Curriculum, Assessment and Instruction, Pupil Services Directors and Special Education Directors

Early Bird Registration Fee:

(before October 14, 2019)

\$25 Comprehensive Data Services Consortium Districts (Ashland & Bayfield)
\$125

Registration Fee:

\$25 Comprehensive Data Services Consortium Districts (Ashland & Bayfield)
