Workshop Description:

Library Media Specialists will come together to work on Future Ready Library plans and collaborate on topics and current issues that support libraries and the systems around them. We will collect resources and materials to create and support programming goals. Finally, we will dedicate time for sharing and discussing ideas and methodology that is applicable in the field.

Presenter:

Beth Clarke is an innovative educator with a passion in digital leadership. She loves working with districts and teachers to unleash potential by leveraging digital tools and resources.
