

Designing and Delivering High Quality Inclusive Services in Early Childhood

February 21, 2020

8:30 am - 3:00 pm

CESA 9, Tomahawk

So you know LRE in Early Childhood is important and results in positive outcomes for students, but what should it look like in daily practice? Do you want to provide more access to opportunities for students but just don't know where to start? Do you currently provide services in an inclusive setting but want to examine your practices and service delivery? If so, this workshop is for you.

This full day of learning for early childhood teams will explore:

- IEP development that leads to more inclusive services
- Determining service delivery options based on student's needs
- Identifying roles and responsibilities of inclusive team members
- The use of quality universal instructional strategies
- Designing and delivering specially designed instruction, and
- Effective strategies for collaboration

The focus of the day will be working as a team to provide high quality LRE services in your district. Participants will also be given opportunities to collaborate with other colleagues regarding how to best implement inclusive services into their district.

Audience: General Educators, Special Education Teachers, Related Service Providers, Administrators, Paraprofessionals that work with young children with disabilities (attendance as a team is recommended, but not required)

Cost: **\$10 per person** - includes lunch and materials

Presenters: Michele Ogorek - Wisc. Statewide Early Childhood Coordinator
Beth Tepper - CESA 9 Early Childhood Program Support Teacher
