

The 100X Leader Institute

Your Best Team Investment for 2019-2020

A transformative learning “tune-up” for public school leadership teams!

In Partnership with AESA

The 100X Leadership Summit and Institute draws from the “Big Ideas of Practice” from the vault of GiANT Leadership Solutions that will have immediate application to support and challenge your leadership team’s success.

100X Leader Institute - Who’s this for?

Superintendents and their Lead Teams who are fighting to stay healthy, hopeful, and high performing while fighting through the challenges of leading complex public systems. Teams commit to engaging in a 10-month journey of strengthening team communication, relationship alignment, execution, capacity and culture.

100X Leader Institute - What is it?

The 100X Leader Institute is lead with GiANT Leadership principles and practices. GiANT has been a global thought leader in people and systems development for the past 15 years. Participating districts will be given access to proven tools designed to raise leader, team and organizational performance.
