# Reviewing High Quality Instructional Materials - Mathematics 6-12

February 28, 2020 9:00 AM - 03:00 PM

Did you know that there are Math instructional materials for grades 6-12 that have been highly rated by the independent, non-profit EdReports organization? Are you wondering what makes these resources different than what your school or district is currently using? Do you wonder what high quality, standards aligned instructional materials look like and the shifts in teacher practice they may require? If so, please join us for this day-long event to hear about and interact with highly rated curricular Math resources for grades 6-12.

**CPM - Traditional**

**enVision Mathematics -  
Pearson**

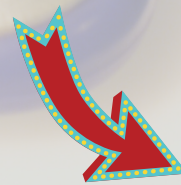

**Illustrative Math -  
LearnZillion**

The fee to attend this event is \$25.00 and includes resources, light breakfast and lunch.
